Percentage of women students	20
Percentage of graduates employed after three months	83

“When I signed up to go to Texas I intended to sharpen my study skills and get a better job with better pay. I achieved that. What I didn’t expect to receive was the countless number of friends - students, faculty and staff all over the country and internationally - and to still, after three years, look back on that time as the best in my life and with a huge smile on my face!” *US alumnus*

*Audit date: MBA 2005*
